£7.96 per hour

8 hours per week = £242/ month
£ 6.98 per hr

* There are also the options of 6 or 12 hours – please ask if you are interested.

*We would really like to have as much of the twelve hours in each day between 8am and 9pm in use, so please try and fit in with what's already booked.

* You are able to use extra hours outside your normal slots without extra charge until you use all your normal time. If you use more than 4 hours in a week, the charge for any extra hours will be £10 per extra hour.

* You are expected to see patients at the Clinic whenever possible, if that is where the patient first called and intended to be seen. Any patient seen at your home or another clinic, when they have been referred through the Healing Clinic will be subject to a one-off referral charge of £10.

* If your usual slot falls on a Bank Holiday you can choose to work or not, but it will still have to be paid for. If there are unavoidable circumstances preventing you from working, then another slot may be available to replace it at no extra charge. If another practitioner uses your room while you are away, they owe you the room rental fee (£5.75 - £7.96 per hour), not the Clinic.

Please note:

- **You can also join as an Associate Practitioner – just doing the Drop-ins / Outreach events and paying £50.00 per month for the first three months. Please ask about this option if you are interested.**
